### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEUROSURGICAL RESEARCH FOUNDATION INCORPORATED

### Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of NeuroSurgical Research Foundation Incorporated, which comprises the statement of financial position as at 31 March 2014, the statement of comprehensive income, statement of changes in accumulated funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory notes, and the statement by the members of the Board.

### Board's Responsibility for the Financial Report

The Board of NeuroSurgical Research Foundation Incorporated are responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act (SA) 1985 and is appropriate to meet the needs of the members. The Board's responsibility also includes such internal control as management determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEUROSURGICAL RESEARCH FOUNDATION INCORPORATED

Basis for Qualified Opinion

The Foundation has determined that it is not practical to establish controls over monies received from donations and fundraising activities prior to its entry in the financial records. Accordingly, as the evidence available regarding revenue from these sources is limited, audit procedures with respect to monies received from donations and fundraising activities had to be restricted to the amounts recorded in the financial records. We therefore, are unable to express an opinion whether the revenue from donations and fundraising activities in the financial records is complete.

### Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of NeuroSurgical Research Foundation Incorporated as at 31 March 2014, and of its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of the Associations Incorporation Act (SA) 1985.

### Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist NeuroSurgical Research Foundation Incorporated to meet the requirements of the Associations Incorporation Act (SA) 1985. As a result, the financial report may not be suitable for another purpose.
